5. School Report

- a. Teacher Presentation- Grade 1 – the importance of schedule. Math – we’re using hands on tools, making choices, learning skillsets, looking for patterns in nature, using practical examples. English – always working on literacy using a land-based connection, complete word work every day, learning phonetic rules, participating in literacy centers. In Social Studies, we are learning about citizenship and how we belong. In Science we are learning about earth systems, matter, computer science, energy & plants. And in Physical Skills & Well-Being, we are focused on physical education, social-emotional well-being and boundaries! Looking forward to field trip to Zoo. How can you support your grade one?? READ, READ, READ. Count by 2’s, 5’s, 10’s.

6. School Administration Report

-School Planning Engagement Results – 59% of those started completed the survey. Field studies was the area of biggest interest/concern for parents. School planning survey results can be located on the school website.

-Enrollment Update currently 505 students, estimated 525 Sept 2024

7. Chair Report

1.-field trips for all grades except kinders, they are going to have an in-school field trip with an art theme.

2.-work with Nigaar in office on getting your volunteer approval application completed as this process can take up to 6 weeks, requesting Nigaar’s assistance in continuing to remind families via email of processes.

3.-grade 5 celebration – June 20th 2pm, potential to create sign up genius for volunteers and email through school, looking for volunteer to take this on for Liz, DFMSSES will vote during meeting as an add to approve funding for trees, cake (cupcakes, donuts??), water, potential for raffle prizes and will need tickets for such if volunteers decide to take this on as well) (spend approved by DFMSSES for celebration).
